Invitation to Comment on Component Project Activity under Nepal Biogas Support Programme-PoA for Crediting Period Renewal ***Nepal Biogas Support Program - CPA 10: 10,589 digesters***

Date of Notice Publication: 08/01/2026

Alternative Energy Promotion Centre (AEPCC), Nepal has registered Nepal Biogas Support Programme-PoA and included 10 CPAs in the PoA successfully. Now, AEPCC is planning for the **renewal of the crediting period of GS10739: Nepal Biogas Support Program - CPA 10: 10,589 digesters under Gold Standard for Global Goals (GS4GG)**

The local stakeholder consultation (LSC) was done at PoA level as required by the Gold Standard and AEPCC convey thanks to all who involved in stakeholder consultation and provided the fruitful feedback during feedback round of the PoA. This CPA contributed to important socio-economic-environmental benefits that are integral part of the biogas program. So, we hereby invite all to provide comments on the component project activity – 10 (CPA - 10) mentioned above. Following documents are available in hard copy from AEPCC for your review and feedback:

- Gold Standard Component Project Activity Design Document (GS-VPA-DD) for CPA -10
- Key Project Information for component project activity -10 (CPA -10)

The documents are also available in AEPCC (<https://www.aepc.gov.np>).

The documents for the PoA and corresponding CPA (CPA-10) that are registered under GS can be viewed from Gold Standard Website:

PoA: <https://registry.goldstandard.org/projects/details/1570>

CPA-10: <https://registry.goldstandard.org/projects/details/2728>

The comments can be provided through phone call, e-mail or hardcopy to the following address/persons no **later than 2 months** from the date of publication.
