# Consulting Services, Project Implementation, Solar Energy Programme

## Expression of Interest - Prequalification

<b>Country:</b>	Nepal
<b>Deadline:</b>	Aug 18, 2020
<b>Financing:</b>	KfW Entwicklungsbank
<b>Reference Number:</b>	BMZ201867829/KfW505792
<b>Subject:</b>	Promotion of Solar Energy in Rural and Semi-Urban Regions

### Requested Services

The Project concerns the establishment and management of the project "Promotion of Solar Energy in Rural and Semi-Urban Regions". Its purpose is to increase the supply of solar electricity and reduce CO2 emissions through investments in on-grid (solar roof systems) and off-grid (solar irrigation pumps, solar mini-grids) photovoltaic (PV) systems.

The Employer intends to procure the services of a Project Implementation Consultant (PIC) to support him in implementing the project

The PIC's main tasks comprise:

- Elaborate the details of the Project design during the inception phase, including the financing and implementation modalities for the on- and off-grid PV systems
- Refine the draft eligibility criteria for on- and off-grid PV systems
- Develop sub-projects for on- and off-grid PV systems (pipeline development)
- Design and carry out the tender processes in compliance with the agreed procurement standards
- Supervise the implementation of works and services, including the application of technical quality standards and environmental and social standards
- Develop a monitoring system for on- and off-grids PV systems, including elements of remote monitoring and verification
- Ensure a sound financial management of the Project, including budget planning, supervision of proper use of funds, preparation, and co-signing of withdrawal applications, etc

- Plan and carry out the training activities for the PEA and other relevant stakeholders (Project Component 3); and
- Ensure close cooperation with other international development partners, especially with GIZ and DFID

Price 2.44 € incl. VAT.
